Dear Parents and Students:

Welcome back to another year at Immaculate Conception School! I understand that each of you has a choice when it comes to education and I am so grateful that you have allowed the dedicated faculty and staff of Immaculate Conception School the privilege to continue preparing you and your children for the future.

As you are aware, each year Immaculate Conception School adopts a theme. This year our school theme will be "We Are Active Disciples of Jesus". In a world where each of us is challenged daily to make decisions that are moral, ethical and in line with the teaching of the Catholic Church, I am excited to see us as we work together as a school community to live as disciples every day. I ask each of you to think about the following quote: "We never grow closer to God when we just live life. It takes deliberate pursuit and attentiveness." I challenge each of you to come to school each day with the pursuit and attentiveness that is required to be a true active disciple of Jesus.

May God bless each of you as you enjoy these final weeks of summer and may the Holy Spirit provide you with the strength and perseverance to serve as an active disciple of Jesus as we work together as a school community once again in 2017-2018.

I am looking forward to seeing everyone on Wednesday, September 6!

Sincerely,

Mr. Kapperman M.S., Ed.
Principal
