FROM THE DESK OF MR. KAPPERMAN

Dear ICS Families,

Summer Solutions Workbooks: Summer Solutions Books may be ordered by visiting the website. These books are a great resource for helping to prevent summer skill regression in both Math and ELA. Any questions regarding these books can be directed to Mrs. Reilly or Mrs. Haggerty. Children not receiving AIS will be coming home with a letter and order form today.

Summer Assignments and Supply Lists: This year's summer assignments and supply lists will once again be sent home with your child's report card.

Final Thoughts: It has once again been my pleasure and honor to serve as your principal during the 2017-18 academic year. As I shared at the mandatory Home School Meeting during my address, much was accomplished this year. However, there is a lot of work to be done over the summer by faculty, staff and administration to prepare for the new school year. While we are hard at work ensuring the best possible learning environment for your children, I hope God blesses each of you with a safe, relaxing and refreshing summer and may the Holy Spirit once again send you the strength to return ready to accomplish even bigger and better things at Immaculate Conception School when we join together as a school family on Thursday, September 6th, 2018. Thank you for allowing us to educate your child spiritually and academically. See you in September!

Sincerely,

Mr. Scott C. Kapperman M.S.,Ed.
Principal
