## FROM THE DESK OF MR. KAPPERMAN

Dear Immaculate Conception School Families,

**Mrs. Rosati (Update):** Mrs. Rosati has decided to take a leave of absence to be with her husband during this difficult time. I would like to introduce Mrs. Margaret Morris as the interim Math teacher. Mrs. Morris is an East Aurora resident, parishioner and retired Math teacher with years of experience. We are truly thankful to have connected. Please join me in welcoming Mrs. Morris. I also ask that you continue to pray for Mrs. Rosati and her family.

**Photo Survey:** Thank you for the feedback regarding Terry's Photo Studios and the comments you provided. As I indicated last week, I have received a lot of information and opinions both in favor of and opposed to a change in companies. I sat down with Terry and shared the survey results. The results were then used to develop a plan to address the concerns that were voiced. I told Terry that given the fact that she is local and willing to work with Immaculate Conception to address our concerns that we will make some of the changes requested on the survey and revisit the matter in the Spring of 2019. I am very happy that Terry is willing to work with the School to look at photo prices, yearbook concerns etc.

**Snack Donations (Second Request):** For this year's School play, Treasure Island (May 18 and 19), we would appreciate any donations of the following: cases of water, individually wrapped candies, snacks such as chips in small bags etc. Please send in these items by Wednesday, May 16th and leave them in the main office. These donations will be sold at the snack bar during the intermissions. All proceeds will benefit the School. Thank you for your support of our play. I look forward to seeing you all there. It is sure to be a great show!

**Shorts (Reprint):** In just a few short weeks the children will be allowed to wear shorts once again (May 15th). Please take a few moments to make sure the shorts your child has for the uniform still fit so that they may be comfortable once the weather warms.

**Lock Down Drill Reminder:** I wanted to remind you that NYSED required two mandatory lock down drill before the end of June. We will be conducting those in the next few weeks. I feel it is important to inform you so that if your child comes home and tells you of a lock down that you were already aware of the drill requirement.

Sincerely

# Immaculate Conception School

Dear Immaculate Conception School Patron,

This year Immaculate Conception School is proud to announce that our seventh and eighth grade students will be performing the play "Treasure Island", by Joseph George Caruso. This play is based off a novel written by Robert Louis Stevenson. This is an adventurous play with pirates, and a map leading to buried treasure. Captain Bill Bones passes the map to young Jim who leads the hunt with the help of a few friends. Along the way they have encounters with pirates, including Long John Silver himself, and Jim and his followers must get to the treasure before they do!

Our children have been working very hard in preparation for the performance and are counting on your support once again this year. I kindly ask that you take a moment to look at the patron levels below and consider helping our children realize the dream of performing on stage. Thank you in advance for your anticipated support of this program and of Immaculate Conception School.

Also included in our play program will be messages to our cast and crew. If you would like to enter a message for publication in the program, please write it on the back of this form, and return it to the school office. A proportionate donation is requested to offset costs (royalties, costumes, set construction, etc.) Please make checks payable to Immaculate Conception School.

**The deadline for all entries was today! We are extending the deadline to Monday, May 7.  
We cannot accept any patrons after this date.**

Sincerely,

  
Mr. Scott C. Kapperman M.S., Ed.

We have less than two months until school is out for the summer! The planning for activities and fundraising for the 2018 – 2019 School Year has begun!

In an effort to plan for next year and the years ahead we would like to gauge the interest in chairing the fundraisers and events that enrich our school.

We are listing all of our fundraisers and events.

- If you have been chairing an event and would like to do it again next year please sign up.
- If you did not chair an event last year but would like to give it a try please sign up.
- If you are interested in being on a committee for an event and want to chair a specific piece of the event for example the Cake Walk for Christmas Bazaar or Decorations for Pot of Gold please sign up in the column labeled other for 2018-2019 (second column) and specify what interests you.
- If you are interested in chairing an event in the future and would like to learn more about the operations and execution of one our events/fundraisers please sign up as a possible future chair (third column). We stress the word possible. This is not a firm commitment but a willingness to consider it and potentially shadow the current chair.

If you are interested in working set up, kitchen, bartending, etc.. You do not need to sign up on this list. Our regular service agreement will be available in June.

Thank you,

Clare, Hannah, Rich & Troy
